About

Skogheims Viljar is a white dun stallion imported from Norway. Both his sire, Merinas Emil, and dam, Skogheims Vilja, have been awarded 1pr status with 10 points in breed character. Viljar is best known for his outstanding temperament and the easy going nature of his offspring. His babies are loved equally by professional trainers and family farms. He stands 14.1hh on solid feet and legs. His movement is well balanced and easy, showing awesome extension in the trot. He is a joy to ride and drive with a naturally well-balanced neck and poll, beautiful self carriage and a very willing attitude. He is the best trail and mountain pony, never tripping or stumbling, easy to control in a snaffle or even in just a halter. He has a fantastic power walk and never rushes. He is truly the epitome of a Norwegian Fjord! Viljar is available for live cover breeding on Olivia Farm in Clayton, WA.
